**DNA SWAB SCAM**

Citizens of Ford County, we have received another scam involving a male claiming to be "Deputy Brooks" with the Ford County Sheriff's Office. He is calling citizens telling them they have a warrant for their arrest because they missed their "DNA swab" meeting and to pay it off they need to get a Google Play Card.

The phone number was called from (620) 801-3184.

We do not employ anyone by the name of Deputy Brooks at the Ford County Sheriff's Office.

This is a scam. If you receive any of these calls please report them immediately to your local law enforcement agency.

Sheriff Bill Carr
