

[APPLICANT]  
APPLICATION FOR PERMIT TO CONSTRUCT  
UTILITY IN OR ACROSS HIGHWAY RIGHT-OF-WAY  
(Temporary - 30 Day Permit)

Date: \_\_\_\_\_

Survey No. \_\_\_\_\_

Re: Section \_\_\_\_\_, Township \_\_S, Range \_\_\_\_\_W      GPS: \_\_\_\_\_

\_\_\_\_\_, hereafter referred to as

"Applicant," is proposing to place a

Parallel Above Ground Temporary Water Line described as follows:

\_\_\_\_\_  
(Indicate size and composition of pipeline)

Portable Equipment described as follows (give exact specifications & model no.):  
\_\_\_\_\_

in or across the highway right of way in Ford County, Kansas. The attached sketch shows the location of the proposed utility to be placed, along with the specifications for the work.

Applicant represents and agrees that said Utility will be constructed and maintained according to the following:

1. Utility has obtained a valid easement from the fee title property owners over which utility will pass.
2. Applicant will defend and hold Ford County harmless from any damage claims that may arise from said buried cable/line whether resulting from the construction or maintenance thereof.
3. Applicant will move, lower, or alter said line at any time it is necessary for road construction as determined by the County Administrator without cost to Ford County.
4. Applicant will give 24-hour notice of project start up to the County Administrator.
5. Applicant will comply with any and all State and Federal regulations pertaining to said work including MUTCD, Manual of Uniform Traffic Control Devices.
6. Applicant will present Occupant shall provide a Certificate of Insurance for general liability and for auto liability naming Ford County as additional insured in the amount of \$1,000,000 per incident and \$ 4,000,000 total liability for each permit to be approved.
7. Above ground water line running parallel with the road is temporary and shall be placed within three (3) feet of fence line or edge of right of way if no fence is present, so as not to disrupt road maintenance. All temporary road crossing lines must be placed below road surface (No trenching permitted) Any line interfering with road maintenance equipment will be removed.
8. Applicant shall be responsible for all damages to county roads due to a line or multiple lines running through a culvert that substantially reduces the drainage capacity of said culvert.
9. Temporary ground lines are to be in place for no longer than thirty (30) days. Lines in place for more than 30 days will be subject to removal or to approval for a new permit at the sole reasonable discretion of the County Administrator and will require a new permit and additional fees.
10. Applicant acknowledges receipt of a copy of Ford County Resolution No. 2012- 30. \_\_\_\_\_(Initial)

Applicant, or its authorized representative, by signing below, confirms that the foregoing and any attachments are true and correct and requests the foregoing permit and accepts the terms and conditions set forth above:
